LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for April 24, 2024;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

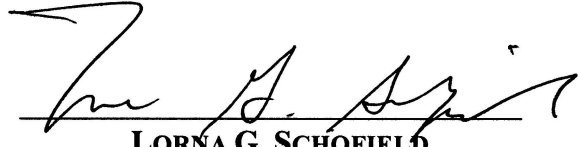

ORDERED that the April 24, 2024, initial pretrial conference is **CANCELED**. If the parties believe that a conference would nevertheless be useful, they should inform the Court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

ORDERED that the parties shall file any proposed order governing the discovery of electronically stored information by **June 24, 2024**. It is further

ORDERED, regarding settlement discussions, if and when the parties are ready to proceed with a settlement conference with the assigned Magistrate Judge or mediation in the Court's mediation program, they shall file a joint letter on ECF requesting a referral.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
